HISTORIC Areas & Programs

Catch Wheel Fever!

Discover how sports, technological innovations, and shared social spaces were key in creating community identity and connecting lives near and far.

Crossroads Village

To be successful often required individuals to take risks and learn to adapt to changing circumstances. Learn how immigrants were able to adjust to ever changing conditions.

Heritage Animal Breeds

Every animal you meet during your visit is a Heritage Breed – a traditional livestock breed. Please ask our Historic Farmers for safe ways to engage with the animals. They have fun stories about them too!

Life on the Farms

Rural ingenuity enabled immigrants to live off their own resources with little or no cash income. See how traditions from the old world gave way to new ones in response to the land and resources.

Scandinavian Homesteads

Survival in the new world was not guaranteed and perseverance was critical in order to survive. Experience first-hand the stories of creating a home and surviving in a new place.

Food & Drink

Relax and refuel in air-conditioned comfort at the Clausing Barn Cafe or grab a snack at the Creamery located in the Crossroads Village.

They came to Wisconsin.

For centuries people left old worlds for a new life in Wisconsin. Facing unfamiliar landscapes and languages, they blended the old with the new and established farms and communities. Welcome to the world they created. Welcome to Old World Wisconsin. You are about to embark on your own adventure! Walk in the footsteps of the people who came to call Wisconsin home. Explore their farms, gather chicken eggs, attend a one-room school, visit with the village blacksmith, and more.
