

**Wisconsin Historical Society
Position Description**

Position Title/Classification: Historic Farmer – 90250 LTE *summer seasonal*
Working Title: Farm Hand

Summary

Led by the Assistant Director, Guest Experience, in collaboration with the Coordinator for Historic Agriculture and Trades, Farm Hands work to support and maintain Agricultural Operations at Old World Wisconsin. As part of the Guest Experience Team they work collaboratively to support the animal care, agricultural practices, and technology of 19th and early 20th century farming.

Farm Hands work primarily behind the scenes supporting historic farming practices and methods which can include feeding animals, milking cows, hitching and driving horses and oxen, tending to and maintaining planted fields and pastures, fence, machinery and vehicle repair. Farm Hands are also stewards of the animals, buildings and collections of the Wisconsin Historical Society, providing daily care, maintenance and upkeep to ensure that we are able to share Wisconsin's stories for generations to come.

This position is 3 days per week. \$12.00 per hour.

Specific duties and responsibilities include, but are not limited to:

Duties

60% A. Heritage Breed and Heirloom Crop Care and Maintenance

1. Provide regular daily feeding and watering of all animals on site
2. Facilitate guest/animal interactions that are safe and educational, as needed
3. Routinely inspect and access all animals as to their cleanliness, comfort and safety and report on animal health and welfare as needed
4. Assist with plowing, sowing, harvesting
5. Be able to interact with, handle and move all animals on site humanely and safely
6. Study and understand historical source materials and content guides as directed by supervisor(s)
7. Wear organizational uniform (provided) during public interactions, following guidelines on hair, personal grooming, and adornment

20% B. Use and Maintain Agricultural Tools, Machinery, and Spaces

1. Understand use and function of historic farm machinery to ensure safe and effective use
2. Observe all safety guidelines when using any and all farm tools and machinery
3. Regularly inspect farm enclosures, tools, machinery, and vehicles to identify needed repairs to ensure guest, staff, and animal safety
4. Correctly access all safety situations and communicate repair and safety issues via established channels.

5. Assist with needed repairs and maintenance related to Agricultural tools, machines, and spaces
6. Keep all supplies (feed, fly spray, etc.) stocked and in proper order
7. Communicate needed supplies, information, and maintenance needs via appropriate channels, in a timely fashion

10% C. Ensure Site Security and Safety

1. Maintain site radio and/or cell communication in the event of an emergency and respond to calls as needed
2. Regularly inspect all fencing and access to buildings (historic and modern) for security and safe access
3. Observe all safety guidelines and procedures when driving vehicles on site, ensuring the safety of all guests, staff, and animals
4. Assist with implementation of emergency procedures to ensure safety of staff, guests, and animals, including knowing locations of first aid supplies, storm shelter areas, and emergency communication plans

10% D. Serve as Part of the Guest Experience Team

1. Reliable and timely attendance
2. Keep all shared work areas (public spaces, offices, and storage areas) clean and organized
3. Communicate and collaborate regularly with colleagues to ensure team effectiveness, including completion of Daily Log and incident documentation, as needed
4. Attend meetings, and required trainings as needed
5. Become well-versed in museum mission and philosophy
6. Other duties as assigned
